DECLARATION OF CASH DIVIDEND AND CAPITALISATION SHARE ISSUE ALTERNATIVE

Further to the company's annual results announcement dated 30 May 2018, the board of the company has declared a gross cash dividend of 9.91 cents per share ("cash dividend") for the year ended 28 February 2018. Shareholders will, however, be entitled to elect to receive a capitalisation share issue alternative of 2.52904 for every 100 ordinary shares, to ordinary shareholders recorded in the Finbond register on the record date, being Friday, 13 July 2018 ("capitalisation share issue award").

The ratio of entitlement is based on the volume weighted average traded price per Finbond ordinary share on the JSE Limited over the five trading days up to and including 13 June 2018, of 391.84864 cents per share, which will be the issue price per Finbond share ("the issue price").

Shareholders are required to notify their duly appointed participant or broker of their election in terms of the Capitalisation Issue Alternative. For the avoidance of doubt, if no action is taken by shareholders, they will receive the Cash Dividend.

The last day to trade in the company's shares cum the cash dividend and capitalisation share issue awards is Tuesday, 10 July 2018. Consequently no dematerialisation or rematerialisation of the company's shares may take place over the period from Tuesday, 10 July 2018 to Friday, 13 July 2018, both days inclusive. Trading in the company's shares ex the capitalisation share issue award and cash dividend alternative will commence on Wednesday, 11 July 2018.

The new ordinary shares to be allotted pursuant to the capitalisation share issue award will be issued as fully paid ordinary shares, the value of which will be capitalised from income reserves of the company. At the date of declaration, the company has 944 907 501 ordinary shares in issue.

The cash dividend is scheduled to be payable in South African Rand (ZAR) on Monday, 16 July 2018 from the company's retained earnings. Such dividend is subject to and will be paid net of dividends tax of 20%, to be withheld and paid to the South African Revenue Service. Such tax must be withheld unless beneficial owners of such dividend have provided the necessary documentary proof to the relevant regulated intermediary (being a broker, CSD participant, nominee company or the company's transfer secretaries, Link Market Services (Pty) Ltd, PO Box 4844, Johannesburg, 2000 South Africa) that they are exempt therefrom, or entitled to a reduced rate, as a result of a double taxation agreement between South Africa and the country of tax domicile of such owner.

The withholding tax, if applicable at the rate of 20%, will result in a net cash dividend per share of 7.928 cents per share, applicable to the cash dividend. As the capitalisation share issue award does not constitute a dividend as defined in the Income Tax Act, no withholding tax is applicable thereon. However, there are possible tax implications of electing to receive shares under the Capitalisation Issue Alternative and shareholders are advised to obtain their own professional advice in this regard.

Where a shareholder's entitlement to new ordinary shares calculated in accordance with the capitalisation issue share award formula gives rise to a fraction of a new ordinary share, such entitlement will be rounded down to the nearest whole number resulting in allocations of whole securities and a

cash payment to the shareholder for the fraction. Any fractional entitlement payment will also be subject to 20% withholding tax.
